What is Gelato?

Gelato is the most delicious ice cream you will ever eat. It was invented in Italy but is now popular all over the world. What makes it so good? It has less air whipped into it than regular ice cream. This gives it a wonderful, velvety texture and intense flavor. You'll never guess that it has about half the fat and calories of regular ice cream (it's made with milk instead of cream)!

PRICES & ITEMS ARE CURRENT AS OF JUNE 2009, BUT ARE SUBJECT TO CHANGE. PRICES DO NOT INCLUDE SERVICE AT YOUR SITE OR SERVING EQUIPMENT.
