What is Gelato?

Gelato is the most delicious ice cream you will ever eat. It was invented in Italy but is now becoming popular all over the world. What makes it so good? It contains less air than regular ice cream. This gives it a wonderful, velvety texture and intense flavor. It's also made with milk instead of cream. You'll never guess that it has about half the fat and calories of regular ice cream!

TRIPLE SPIN BROWNIE SUNDAE Warm, freshly-baked triple chocolate brownie (dark chocolate, milk chocolate & white chocolate) served with your choice of gelato flavor, topped with real whipped cream and drizzled with three sauces (caramel, chocolate & white chocolate). 6.95
